

Legend

- Area of Groundwater Contamination
- Area of Potential Evaluation

Source(s):
 OU1 groundwater plume shape based on measurements collected from 2011 to 2013.
 OU2 groundwater plume shape based on measurements collected from 2009 to 2011.

Note(s):
 Geographic data for the study area were projected using coordinate system World Geodetic System 1984 Universal Transverse Mercator Zone 12N.
